NOTICE OF SALE OF LANDS UNDER FORECLOSURE.  
State of Oklahoma, County of Beaver, ss. Notice is hereby given, that in pursuance of an order of sale issued out of the Clerk's office of the District Court in and for Beaver County, State of Oklahoma, on the 12th day of November, 1919, in an action wherein E. H. Pattison was plaintiff and John A. Nelson and Jennie Savage were defendants, commanding me to levy upon property belonging to said defendant, John A. Nelson, sufficient to satisfy a judgment rendered in said action in favor of E. H. Pattison and Jennie Savage against said John A. Nelson for the sum of \$303.50, with \$18.50 costs and accruing costs, with interest thereon at 10 per cent from the date of judgment, to-wit: April, 1919, I have levied upon certain lands and tracts hereinafter described, and I have caused a notice of sale to be published in the City of Beaver, in said County and State. Witness my hand this 13th day of November, 1919.

NOTICE FOR SUPPLEMENTAL ESTIMATE.  
Whereas, The County Excise Board having been duly and legally called, as provided by law, on the 22nd day of November, A. D. 1919. Whereas, it appeared to said Board that the original estimate made by the County Commissioners for the purpose of purchasing poison to poison grasshoppers was inadequate and insufficient to pay all the bills filed for poison, and, whereas, it is necessary that a supplemental estimate be made to cover all of the expense contracted for poison; and, whereas, it appeared to said Board that the sum of \$1,100.00 is needed in addition to the \$1000.00 already provided and spent; it is hereby ordered by the Board that the supplemental estimate of \$1100.00 to pay the outstanding claims for poison be made and is hereby approved. It is further ordered that publication of this notice for two consecutive weeks be had in the Beaver Herald, a newspaper of general publication in Beaver County, Oklahoma, and that final hearing for said estimate will be held on December 6th, 1919, at which time any and all objections that may be made to said estimate will be heard, and if no objections are filed or made on or before said December 6, 1919, said estimate will be finally approved.  
Dated this 22nd day of November, A. D. 1919.

# DELCO-LIGHT

## "Electricity for every Farm"

The Delco-Light engine is the valve-in-the-head type—used in the best and most powerful airplane engines and in hundreds of thousands of automobiles.

It is air-cooled—runs on kerosene in any climate—has only one place to oil and has a simple mixing valve in place of carburetor.

The storage battery is exclusively designed and built for Delco-Light with thick plates, wood and rubber separators and many improvements that insure long life.

Delco-Light long ago passed the experimental stage and has gone through the refining influence of three and one-half years of production and of usage by 75,000 customers.

You will find plants in the homes of your community. Just ask your neighbor about his Delco-Light plant.

Delco-Light makes happy homes; it saves time and labor, taking away lots of hard, unpleasant tasks. It "Pays for Itself" by the work it does and the time it saves.

Of the more than 75,000 Satisfied Users of Delco-Light, the first are among the most enthusiastic—proof that the simplicity and durability of Delco-Light meets the requirements of its customers.
